Ranger made me think, though he didn't say it in so many words, that maybe I should be planning a MUCH bigger op, for like when we have to roll into town to actually save the Republic. It seems that the ohio crew is considering this next march next weekend so someone must have reached out to them.

Shawn! Can't believe I just thought of this:  
how many people either in the militia or  
not (who are still supportive of our efforts  
to save the Republic) have a boat on a  
trailer that could handle a Potomac  
crossing? If we had someone standing by  
at a dock ramp (one near the Pentagon for  
sure) we could have our Quick Response

Team with the heavy weapons standing by, quickly load them and ferry them across the river to our waiting arms. I'm not talking about a bass boat. Anyone who would be interested in supporting the team this way? I will buy the fuel. More or less be hanging around sipping coffee and maybe scooting on the river a bit and

pretending to fish, then if it all went to shit,  
our guy loads our weps AND Blue Ridge  
Militia weps and ferries them across.  
Dude! If we had 2 boats, we could ferry  
across and never drive into D.C. at all!!!!  
Then get picked up. Is there a way to  
PLEASE pass the word among folks you  
know and see if someone would jump in to

These maps walk you from the hotel into D.C. and east toward the target area on multiple roads running west to east including M street and P street, two of my favorites. One shows a quick left hand jog up Wisconsin avenue and then you can blast east on P or O. Avoids a lot of crud.

His videos are excellent.

Here is his written advice to us:

*To:* OLD Leadership CHAT

“What we have done, and what you probably need to do:

- Peaceful protests, good, well played round 1
- A complete civil disobedience, they are not your representatives. They are FOREIGN puppet government.

11/7/2020 12:25:54 PM

*From:* Stewart Rhodes

*To:* OLD Leadership CHAT

- Connect with the local police and start organize by neighborhoods to stay safe (we didn't need this step)
- We swarmed the streets and started confronting the opponents. I know, not nice, but it must be done if the institutions stop to exist

11/7/2020 12:25:54 PM

*From:* Stewart Rhodes

*To:* OLD Leadership CHAT

- Millions gathered in our capital. There were no barricades strong enough to stop them, nor the police determined enough to stop them
- Police and Military aligned with the people after few hours of fist-fight
  - We stormed the Parliament

And burned down fake state Television!

WE WON!

However, we made a mistake. We have not removed ALL of his people from their positions.

That was the only mistake.
